

LAr Mappings

Murrough Landon
11 February 2015

- Long chat yesterday with Georges Aad
 - Recently recruited to handle mappings in the LAr realm
 - He recently summarised his newly learned understanding:
 - <https://indico.cern.ch/event/369605/contribution/5/material/slides/0.pdf>
 - A few misunderstandings corrected
 - So far Georges only looked at EM
- NB there may be a problem in EM barrel/endcap region
 - Being investigated by LAr
 - Might need optical splitting at DPS input if not soluble upstream
